

Garden Club of America/Frances M. Peacock Scholarship for Native Bird Habitat

Up to \$4500 award provides financial aid to study areas in the United States that provide seasonal habitat for threatened or endangered native birds and to tend useful information for land-management decisions. Open to college seniors and graduate students only (second-semester juniors may apply for their senior year). In special instances because of two unusually fine candidates or two candidates working on one project, the award may be divided between two candidates.
