

National Association for Campus Activities/National Association for Campus Activities Scholarships for Student Leaders

One means by which the NACA Foundation demonstrates its commitment to the development of professionals in the field of campus activities is through providing scholarships to undergraduate students who have demonstrated outstanding leadership abilities and made significant contributions to their campus communities. The Scholarships for Student Leaders Program, established in 1985, was created through donations to the 25 For 25 Drive, a silver anniversary fund-raising project of the NACA Foundation.
