

American Respiratory Care Foundation/Sepracor Achievement Award for Excellence in Pulmonary Disease State Management

Nominations may be made by anyone by submitting a paper of not more than 1000 words describing why a nominee should be considered for the award. Must be a member of the American Association for Respiratory Care. Must be a respiratory therapist or other healthcare professional, including physician. Nominees must have demonstrated the attainment of positive healthcare outcomes as a direct result of their disease-oriented practice of respiratory care, regardless of care setting.
