

## Women in Aviation, International/The Boeing Company Career Enhancement Scholarship

The Boeing Company will award a scholarship to a woman who wishes to advance her career in the aerospace industry in the fields of engineering, technology development or management. The award is to be used for educational purposes only and may not be applied toward flight hours. Applicants may be full-time or part-time employees currently in the aerospace industry or a related field. Also eligible are students pursuing aviation and aerospace-related degrees that are at the sophomore level with a minimum GPA of 2.5 (on a 4.0 scale).
