

simplehuman/Simple Solutions Design Competition

IDSAs-endorsed competition to promote creative problem-solving through product design and increase public awareness of industrial design. Applicants must be enrolled in an Industrial Design program or a closely related program at a design school or university and must design a new, innovative product/technology/concept for making household chores easier. Entries evaluated on utility, efficiency, innovation, research, and aesthetics. See web site for details <http://www.simplehuman.com/design>.
