

## Sons of Norway Foundation/Nancy Lorraine Jensen Memorial Scholarship

Scholarship available for full-time undergraduate study in chemistry, physics, or in chemical, electrical, or mechanical engineering by a female student who is a U.S. citizen, and a current member, daughter, or granddaughter of a current member of Sons of Norway. The annual award will be at least 50 percent of the tuition for one semester and no more than 100 percent of the tuition for one year. Must have attained a SAT score of at least 1800, a math score of 600 or better, or an ACT score of at least 26. Applicant must have completed at least one term of studies in the above fields. The award will be made jointly payable to the student and her institution. The award is renewable two times during undergraduate study.
