

Thermo Fisher Scientific/Thermo Fisher Scientific Antibody Scholarship Program

The Thermo Fisher Scientific Antibody Scholarship program, awarded annually, is open to graduate and undergraduate students studying biology, chemistry, biochemistry or a related life science field. Applicants are required to demonstrate a strong academic background along with a true passion for science. A total of six scholarships are available for the 2018-2019 academic year; two \$10,000 awards and four \$5,000 awards will be awarded on August 8, 2018. Complete rules and the application form can be found on our website at <http://www.thermofisher.com/antibodyscholarship>
