

## Valeant Pharmaceuticals North America, LLC/ASPIRE HIGHER Scholarship Program

Valeant Dermatology ASPIRE HIGHER Scholarship Program will award scholarships of up to \$10,000 each to nine individual students who will be attending an undergraduate or graduate education program during the next school year. The scholarships recognize students who have been diagnosed and treated for a dermatologic condition and are pursuing a higher education degree. Applicants need not have used a Valeant dermatologic prescription medication to be eligible, and use of a Valeant product will not increase an applicant's chance of being awarded a scholarship. Three scholarships will be awarded in three different categories: Undergraduate Scholar Awards for students pursuing an undergraduate degree, Graduate Scholar Awards for students pursuing a graduate degree and Today's Woman Scholar Awards for students who are mothers pursuing either a graduate or undergraduate degree.
