

## Law Office of David D. White, PLLC/Annual Traumatic Brain Injury Scholarships

The Law Office of David D. White takes pleasure in announcing the establishment of an annual scholarship program for the benefit of persons who have suffered traumatic brain injury (TBI). The scholarship program consists of two scholarships, offered annually,\* both in the amount of \$1,000. The scholarships will take the form of tuition payments for attendance at a school of the applicant's choosing. This may be a university, a college (or a community college), a secondary school, or a trade school. And you do not have to be enrolled as a student currently in order to apply. In order to be eligible to apply for a scholarship, you must have been diagnosed with TBI. We may ask you to provide us with proof of the diagnosis.
