

## Silicon Valley Community Foundation/Samsung@First Scholars

Samsung Semiconductor Inc.'s theme of "Collaborate. Innovate. Grow." has served as the company's mantra to drive technology innovation today and for the next 30 years in Silicon Valley. To help support the valley's continued legacy as the epicenter of innovation and growth in high-tech, the company has made a commitment to the next-generation of innovators by establishing its Samsung@First Scholars program. Up to \$15,000. The scholarship program's goal is to support those outstanding scientists, technologists, engineers, and mathematicians who will lead the world for the next 30 years and beyond. Must be a current undergraduate student entering sophomore, junior or senior year in the upcoming academic school year or an undergraduate senior accepted into a Master's program or a current Master's student. Must be planning to enroll on a full-time basis (as defined by the program of study) in a California, public four-year college/university. Preference given to students enrolling in a school in the greater Bay Area (includes Santa Clara, San Mateo, San Francisco, Marin, Alameda, Contra Costa, Napa, Solano, Sonoma). Declared major in Science, Technology, Engineering or Math (STEM). Preference given to computer science and engineering (CISE) and engineering majors. Minimum grade point average of 3.0 on a 4.0 scale.
