

ALS Association/Paula Kovarick Segalman Family Scholarship Fund

The Paula Kovarick Segalman Family Scholarship Fund for ALS was established by the Segalman Family to provide educational funding to students affected by ALS, also known as Lou Gehrig's disease. ALS is a fatal disease affecting families physically, emotionally and financially. The cost of care for someone with ALS can exceed \$200,000 a year. The fund looks to alleviate some of the additional financial burdens that families will face when paying for college. Applicant must have a parent or legal guardian currently battling ALS or who has passed away from the disease. Annual household income must be less than \$50,000.
