

All About Cats/A Voice For Cats Essay Contest Scholarship

We at All About Cats are pleased to announce our very first annual A Voice For Cats scholarship contest with a prize of \$1000. In our online cat community we strongly believe that enabling access to continuing higher education is very important. We strive to educate and inform our followers, so as to mitigate feline suffering and make the lives of our beloved pets better. Small steps are often necessary to achieve this ideal goal of minimizing pain and distress for our beloved kitties. We at All About Cats will grant a scholarship to one student who will provide the most outstanding essay about any topic, that would give us interesting insight with relation to our community interests. The winning essay will be published on our blog and accredited to the author. There are a growing number of incidents where the mistreatment and suffering of both outdoor and domesticated cats is being overlooked. Help us raise awareness about this issue that is dear to us, by entering the contest and submitting your essay on how to best promote the most humane treatment of felines.
