

The HIV League/The HIV League Scholarship

The HIV League seeks to identify and award scholarships to the most promising students living with HIV as evidenced by their educational accomplishments, leadership, and service. If you choose to not have your name publicized, this will not hurt your chances in being awarded an HIV League Scholarship. If you do, however, choose to have your name publicized, we will always ask permission from you first. Also, if you choose to have your name publicized, this will give you the opportunity to have your voice heard as a student living with HIV amongst different publications and media outlets. If you have any further questions about this portion of the scholarship application, please do not hesitate to email our Executive Director, Daniel Szymczyk, at daniel@hivleague.org.
