

Boundless Immigration Inc./Boundless American Dream Scholarship

The Boundless American Dream Scholarship will provide financial support to an exceptionally promising student who fulfills the requirements of Deferred Action for Childhood Arrivals (DACA) or Temporary Protected Status (TPS) and who wants to make the world a better place through technology. Boundless will provide a scholarship of \$1,500 to improve this student's ability to design and build technology that solves real problems, based on the student's own vision and needs (including but not limited to support for college/university/graduate studies tuition, attending a coding boot camp, taking an online course, attending a professional conference, or building an early-stage prototype product for a startup idea). The 2018 Boundless American Dream Scholar will be selected for their academic excellence, entrepreneurial spirit, and dedication to community service.
