

Finally Sold/Finally Sold Impact Maker Scholarship

The Finally Sold Impact Maker Scholarships are merit based scholarships designed for those who really feel that they can make a lasting impact in their chosen career. We are looking for passionate candidates who can articulate why going to their chosen school will allow them to ultimately make a difference in their field. Don't worry about your grades or SAT scores, because we won't look at those. Rather, we are looking for people who can demonstrate that they possess such traits and characteristics as: creativity, ambition, passion, resourcefulness, entrepreneurship, influence and persuasion. All you need to do is submit a short video and write a short essay pitching why you think we should pick you. We even award bonus points and extra credit for applicants such as our Influencer and Recruitment BONUS that rewards those who cross promote their video and our program. We also have bonuses for those who submit their application early or pass a short quiz about our company. Please see our site for more details, <http://www.finallysold.com/scholarship-programs.html>
